## “BEST PRACTICES AND POSITIVE IMPACT OF YOU CAN DO IT! EDUCATION”

Presented by the Founder of YCDI: Professor Michael E. Bernard  
Melbourne Graduate School of Education, University of Melbourne

You Can Do It! Education is used by many schools participating in the KidsMatter initiative

*"The most widely used (social-emotional learning) program is You Can Do It! established by Professor Michael Bernard of the University of Melbourne...used by more than 5000 early childhood centres, primary & secondary schools." Age Newspaper*

You are invited to spend 90 minutes with the founder of YCDI, Professor Michael E. Bernard as he describes the latest research and best practices in the use of YCDI including how to implement YCDI throughout a school community and how YCDI improves school effectiveness, student achievement, behaviour and wellbeing. Citing examples from the field and latest research, Professor Bernard will discuss how YCDI programs are **improving student behavior, engagement in learning, positive NAPLAN results and emotional health**. Participants will have an opportunity to have their questions answered and will bring back to their school the latest advances in YCDI!
